### **DETAILED ACTION**

1. This action is issued in response to applicant's amendment filed 7/27/06.
2. Claims 1, 3, 5-8, 11-15, and 17 were amended. Claims 2, 4, 9-10, 16, and 18-26 were canceled. Claim 27 was added.
3. Claims 1, 3, 5-8, 11-15, and 17, as renumbered 1-12 are allowed. Claim 27 is canceled.

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John F. Buckert on September 14, 2006. The application has been amended as follows:  
Newly added claim 27 is canceled.

***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

Regarding independent claim 1, the prior art of record fails to teach, disclose or suggest the step developing a set of data feed file criteria comprising at least one data-locating criterion, that is received by a data extraction tool of a first device, extracting at least a portion of data from a raw data file based on at least one data-locating criterion, utilizing the data extraction tool, generating a report having data extracted from the raw data file, utilizing the data extraction tool, determining whether data in the report complies with data-limiting criteria, utilizing a discrimination tool, deleting lines from the report which contain data that does not comply with the data-limiting criteria to obtain an updated report, utilizing the discrimination tool, generating the data feed file with data from the updated report utilizing a formatting tool, and transmitting the data feed file from the first device to a location electronically accessible to the desktop application of a second device, utilizing a network operable coupled between the first device and the second device., in conjunction with remaining claim provisions, is not taught or suggested, or rendered obvious over the prior art of record or that encountered in searching the invention.

Regarding independent claim 15, the prior art of record fails to teach, disclose or suggest the step of first and second data storage devices, a data extraction tool configured to extract at least one portion of data from the raw data file stored on the first data storage device based on

Art Unit: 2164

at least one data-locating criterion, and to generate a report comprising the extracted data, a discrimination tool configured to determine whether data in the report complies with data-limiting criteria, the discrimination tool further configured to delete lines of the report which contain data that does not comply with the data-limiting criteria to obtain an updated report, a formatting tool configured to the data from the updated report to populate the data feed file with data extracted from the updated report, and a network configured to electronically transmit the data feed file from the first data storage device to the second data storage device such that the data feed file is electronically accessible by the desktop application., in conjunction with remaining claim provisions, is not taught or suggested, or rendered obvious over the prior art of record or that encountered in searching the invention.

The dependent claims 3,-5-8, 11-14, and 17, being further limiting to the independent claims, definite and enabled by the Specification also allowed.

**Comments**

**The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.**

**Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."**

As allowable subject matter has been indicated, Applicant's response must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CRF 1.111(b) and MPEP section 707.07(a).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
